

## Entrance Instructions to Parc at Gateway Condo

**Driving:** Enter vehicle on 500 west Street at the Northgate basement parking entrance. Use the LH one.

Drive down to 1st level, P1, turn left twice, then turn right. Pass elevator bldg on left, park on spot 89, structural pillar should be just to the left of the spot 89. Lock car and enter into elevator bldg with mag card on RH side of door.

Enter elevator, swipe mag card, and select 10th floor. Exit, turn right and find condo #1017. Use key.

**Remember, these are private condo's, not for nightly rentals. You are a guest of John and Rhona Jensen.**

**Not driving:** Use mag card to enter in street level main entrance. Straight through lobby, find elevators on RH side. Beware that there are cameras in the front main lobby.

**Upon final Departure:** Move vehicle out to street, return to unit, leave mag card on counter, exit unit, lock from outside then slip key under condo door. Elevator will take you to 1st floor without the need for a mag key. Exit to the street.
